

# HOMWORK

Your Second Grade student will have both daily and monthly homework to turn in this year. Please read below for further explanation.

Daily Homework will be sent home daily and will need to be turned in the next day. Daily homework also includes your student reading for an average of 20 minutes a night. Some nights students will not have homework, so please take this time to catch up on their reading. You will be able to recognize these papers by looking for a small, bright "Homework" slip stapled on the front of their homework. The homework will be practice for your student and aligns with our classroom curriculum.

Monthly Homework will be sent home the first school day of every month and will need to be turned in on the last school day of that month. The monthly homework consists of a daily reading log by using the calendar provided. On the back of the calendar will be a list of spelling words for your child to practice reading and spelling. The list is divided by weekly words and your student will be tested on these words every Friday. Tips on how to practice their spelling words are

provided with the list.

Please help your child find a quiet area to complete their homework and help them get their homework back into their backpack. *Miss Evenhus*
