

HOMework

Your Second Grade student will have monthly and, possibly, daily homework to turn in this year. Please read below for further explanation.

Daily Homework will be sent home daily if a student needs additional time to complete a class activity. Students that work hard in class will have other opportunities to complete their class activity during the day. Daily homework also includes your student reading for an average of 20 minutes a night. You will be able to recognize these papers by looking for a small, bright "Homework" slip stapled on the front of their homework. However, any papers with a star (★) marked in pen has been checked and does not need to be returned.

Monthly Homework will be sent home the first school day of every month and will need to be checked by Mrs. Bromiley *every Friday* morning. The monthly homework consists of a daily reading log using the calendar provided. Families are encouraged to help their student complete at least 2 reading, 2 math, and 1 writing activity each week. These activities can come from the list provided on the calendar or you may create your own individualized activity. Please

remember to record your student's activity on the calendar and in their spiral "Homework Notebook".
