Directions

A monthly spelling list will be sent home every month for your child to practice with.

The monthly list is divided into weeks, so you and your child know which words to study for each week.

On the last day of every week, our class will have a spelling test using the words from the list.

Please help your student read and write the words on this page. Practice using them in a sentence.

TIPS:

*Read each word 5 times.

*Copy each word 5 times.

*Write each word 5 times without looking at the word.

*Spell each word aloud 5 times without looking at the word.
